

## Spiritual Mothering

Titus 2:3-5

- ☞ God loves women.
- ☞ God gives women self worth and giftedness.
- ☞ God's Word is our standard.
- ☞ God establishes our priorities.
- ☞ God calls us to pray not worry.

**Getting Started:** Who has passed critical life information on to you?

**Digging In:** Read Titus 2:3-5. Why does Paul address the character of older women? What training is the older woman called to give the younger woman? What is the purpose of this training? How do the following verses speak to God's love for women: Luke 8:1ff, John 4:7-42, 11:25, 12:1-8; Luke 24:1-11? What do the following verses say about your value to God : Gen 1:27, 1 Peter 1:18-19? How do the following verses speak to living according to the standard of God's word: John 15:9-10; 1Thess 4:3-8; 2 Pet 1:3-9? List five priorities you believe God has for your life? Why? Read Matthew 5:25-34. What does this passage say about worry and prayer?

**Living It Out:** Which of Vickie's five truths did you most need to hear? Why? Read 2 Timothy 2:2. Have you had a spiritual parent like Paul? Have you had a spiritual child like Timothy? Make a list of the things that would keep you from pouring your life into someone else. What steps will you take this week to move toward pouring your life into someone else?
